

*"Look up... quick!
it's a BLACK WIDOW"*

War Bonds Buy New War-planes: The deeper you dig for cash to buy 'em—the more you help the men who fly 'em!

It hunts the darkened battle skies . . . this deadly new U.S. prowler. It is the Northrop P-61 Night Fighter. The "Black Widow". The largest and most powerful pursuit airplane ever built.

Designed by the Northrop group in cooperation with the Army Air Forces Matériel Command, the formidable "Black Widow" is built to knock the enemy out of the skies by night . . . wherever he may be.

First plane to be developed specifically for night fighting, the "Black Widow" possesses great speed combined with easy flying characteristics. *It packs enough power to destroy anything that flies.*

In the months ahead, news will come back from the battle fronts about this newest U.S. weapon. The P-61 Night Fighter. The "Black Widow" of the dark skies.
