

Everyone deserves a
HOME SWEET HOME.

Every man, woman, and child should have a safe and affordable place to live. That's why we've joined forces with Habitat for Humanity, volunteering our time and sweat to eliminate poverty and homelessness.

At Northrop Grumman, global security is our common goal. On our team, you'll work across business sectors to protect our troops, public safety, information, and our planet. But you'll also provide sanctuary to families that need it most.

Across our career areas and around the globe, we see the value of our performance every day. We are Northrop Grumman. And our neighbors are at the heart of what we do.
