

*We don't just see the
value of our performance.*
WE FEEL IT.

And it's a powerful feeling. We feel it at night when children are sleeping soundly. We feel it when a soldier comes home safely and when a first responder saves a life. We feel it when a cyber terrorist is defeated and when a hurricane is predicted.

At Northrop Grumman, you'll feel it too. You'll collaborate across sectors to keep our world safe. You'll join a team of experts in aerospace, electronics, information systems, and technical services. And you'll be supported by training, employee resource groups, and our shared vision of global security.

Across our career areas and around the globe, we see the value of our performance every day. We are Northrop Grumman. And excellence is **at the heart of what we do.**
