**Media Invited to Attend Northrop Grumman Briefings
At the Association for Unmanned Vehicle Systems International Conference**

Northrop Grumman Corporation (NYSE: NOC) today announced its media briefing schedule for the Association for Unmanned Vehicle Systems International (AUVSI) North America 2011 conference, taking place Aug. 16-19 at the Walter E. Washington Convention Center in Washington, D.C.

As a leader in global security solutions, Northrop Grumman has a strong and broad portfolio of unmanned systems and mission technologies which have been delivered to customers worldwide for nearly 70 years. The investment in technology has enabled Northrop Grumman to advance the unmanned systems market, meet customer demands to reduce costs and continue to improve mission effectiveness.

A comprehensive series of briefings will offer the media an opportunity to hear from program leaders, customers and subject matter experts on the company's unmanned systems portfolio and enabling mission technologies in all domains – air, land and sea.

In addition to the media briefings, Northrop Grumman will post news daily at <http://www.northropgrumman.com/auvsi/>, www.facebook.com/NorthropGrumman, twitter.com/northropgrumman; search for the #AUVSI hashtag.
