Buyer acceptance of nonconforming Work does not release Seller from its warranty or latent defect obligations. Any Work that has been rejected or requires correction shall promptly be replaced or corrected at Seller's expense, including transportation charges. If Seller fails to promptly replace or correct any Work within the schedule for the Due Date(s), Buyer may: (a) return, re-perform, repair, replace, or re-procure the non-conforming Work at Seller's expense; and (b) terminate this PO in accordance with the Termination for Default Clause established herein and recover from Seller any monies paid toward the rejected Work. (b) Each Seller invoice shall be for delivery/completion of Work on only one PO. Seller shall limit the number of submitted invoices on this PO to one (1) per month, with multiple items on a given invoice. Each Seller invoice shall contain as a minimum the PO number and total invoice amount, and for each Work item include: PO line item, Work description (including serial numbers, if required), quantity delivered and invoiced, and invoiced amount. Invoiced unit costs for each Work item must exactly match what is in the PO. Tax and freight charges, when applicable, shall be separately stated on the invoice. Unless the PO specifies otherwise, prices shall not include any sales or use taxes for which Buyer provided an exemption.

23. Packing, Marking, and Shipping Documents. All Work shall be packed, marked, and shipped strictly in accordance with the requirements specified in the PO. (b) The foregoing warranties are in addition to all other warranties, expressed or implied, and shall not be deemed to be exclusive; these warranties shall survive delivery, inspection, acceptance and payment by Buyer.

(c) If the Work is found not to meet the warranties and guarantees specified herein, Buyer may, within its sole discretion, return such Work to Seller at Seller's expense, for correction, replacement, re-performance or credit, plus transportation charges. If repair, or replacement, or re-

performance of the Work is not timely, Buyer may elect to return, repair, replace, or re-procure the non-conforming Work at Seller's expense.

(d) Any Work corrected, replaced, or re-performed shall be subject to the provisions of this Clause to the same extent as the Work initially furnished hereunder twelve (12) months from acceptance of the corrected, replaced or re-performed Work, whichever is longer.

Seller agrees that no liens, security interests, encumbrances or property rights of any kind ("**Liens**") shall lie or attach upon or against the Work or any Buyer Property, or any part thereof, for or on account of any work performed, provided, or service furnished by Seller pursuant to this PO.

30. Choice of Law. Irrespective of the place of performance, this PO shall be governed by and construed according to the laws of the Commonwealth of Virginia, without regard to its conflict of laws or choice of laws provisions. The parties expressly reject the application of the United Nations Convention of Contracts for the International Sale of Goods to this PO.

31. Records. Unless a different period is set forth elsewhere in this PO, Seller shall retain all pertinent books, documents, papers, and records, including but not limited to inspection records, involving transactions related to this PO for a period of three (3) years after final payment on this PO. At the conclusion of this time period, Seller shall make written request to the Procurement Representative, for permission to (1) destroy such records; (2) package and ship same to Buyer; (3) maintain said records at Seller's facilities; or (4) any combination of the above.

32. Termination for Convenience. (a) Buyer may terminate performance of Work under this PO in whole or, from time to time, in part when Buyer determines that it is in its best interest. Buyer shall terminate by issuing to the Seller

TC-07

**General Terms and Conditions & Government Contract Flow-Down Provisions

a "Notice of Termination" specifying the extent of termination and effective date.

(b) After receipt of a Notice of Termination, and except as directed by Buyer, the Seller shall immediately proceed with the following obligations in addition to any specifically included in the Notice of Termination: (1) Stop work as specified in the Notice of Termination; (2) Place no further subcontracts or orders except as necessary to complete the continued portion of this PO; (3) Terminate all subcontracts to the extent they relate to the Work terminated; (4) Complete performance of the Work not terminated; (5) As directed by Buyer, transfer title and deliver to Buyer: (i) the fabricated or unfabricated parts, Work in process, completed Work, supplies, and other material produced or acquired for the Work terminated, and (ii) the completed or partially completed plans, drawings, information, and property that, if the PO had been completed, would be required to be furnished to Buyer; and (6) Comply with the instructions by Buyer in the Notice of Termination and any subsequent written instructions.

(c) Seller shall submit a final termination settlement proposal to Buyer in the form and with the certifications prescribed by Buyer. Seller shall submit the proposal promptly, but no later than ninety (90) calendar days from the Notice of Termination. If the Seller fails to submit the proposal within the time allowed, Buyer may determine, on the basis of information available, the amount, if any, due the Seller because of the termination and shall pay that amount. Such determination shall be conclusive.

(d) Subject to paragraph (c) of this Clause, the Seller and Buyer may agree upon the whole or any part of the amount to be paid or remaining to be paid due to the termination. The Seller shall be reimbursed for actual, reasonable, and allowable cost incurred up to the date of termination plus a reasonable profit on work performed (a loss rate would apply if the Seller would have sustained a loss on the entire PO had it been completed) not to exceed the total price to be paid for the remaining Work on the PO. In no event shall Buyer be obligated to pay for Seller's anticipatory profit or unabsorbed overhead on the Work terminated. Unless a later date is determined by Buyer, if within ninety (90) days of the Notice of Termination or the Seller's Settlement Proposal, whichever is later, the Seller and Buyer have not agreed on the entire amount to be paid, Buyer shall pay the Seller the amount determined by Buyer to be due the Seller. Failure of the parties to reach agreement shall be a dispute under the "Disputes" Clause. A dispute shall not excuse Seller's obligation to continue performance on any non-terminated portion of this PO.

33. Termination for Default, Cure Notice, Force Majeure. (a) Buyer may, subject to paragraphs (d) and (e) of this Clause, by written notice, terminate this PO for default, in whole or in part, if Seller: (1) Fails to deliver the Work within the time specified in this PO or any extension; (2) Fails to make progress, so as to endanger performance of any Work and/or this PO; (3) Fails to perform or breaches

any of the provisions of this PO; or (4) Files a petition of any type as to its bankruptcy, is declared bankrupt, becomes insolvent, makes an assignment for the benefit of creditors or goes into liquidation or receivership.

(b) Buyer may terminate this PO under paragraphs (a) (2) and (a) (3) of this Clause if the Seller does not cure such failure within ten (10) days (or more if authorized in writing by Buyer) after receipt of the notice from Buyer specifying the failure.

(c) If Buyer terminates this PO in whole or in part, it may acquire, under the terms and in the manner Buyer considers appropriate, Work similar to those terminated, and the Seller will be liable to Buyer for any excess costs of such Work. However, the Seller shall continue the Work not terminated.

(d) Except for defaults of Subcontractors at any tier, the Seller shall not be liable for any excess costs if the failure to perform the PO arises from causes beyond the control and without the fault or negligence of the Seller. Examples of such causes include: (1) acts of God or public enemy; (2) acts of the Federal Government in its sovereign or contractual capacity; (3) fires or floods; (4) epidemics; (5) quarantine restrictions; (6) freight embargoes; and (7) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the Seller.

(e) If the failure to perform is caused by the default of a Subcontractor at any tier, and if the cause of the default is beyond the control of both the Seller and Subcontractor, and without the fault or negligence of either, the Seller shall not be liable for any excess costs for failure to perform, unless the subcontracted Work were obtainable from other sources in sufficient time for the Seller to meet the Due Date(s).

(f) If this PO is terminated for default, Buyer may require the Seller to transfer title and deliver to Buyer, as directed by Buyer, any completed Work and partially completed Work that the Seller has specifically produced or acquired for the terminated portion of this PO. Upon direction of Buyer, the Seller shall also protect and preserve property in its possession in which Buyer has an interest.

(g) Buyer shall pay the PO price for completed Work delivered and accepted. Seller and Buyer shall agree on the payment for other Work delivered and accepted and for the protection and preservation of all Work not yet delivered to Buyer. Failure to agree will be a dispute under the "Disputes" Clause. Buyer may withhold from these amounts any sum Buyer determines to be necessary to protect Buyer against loss due to outstanding liens or related claims. If, after termination, it is determined that the Seller was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Buyer. Seller agrees that any assistance given them by Buyer on this PO or any acceptance of delinquent or nonconforming Work will be solely for the purpose of mitigating damages. It is not the intention of Buyer to condone any delinquency, waive any defect, or waive any rights Buyer has under this PO. The rights and

remedies of Buyer in this Clause are in addition to those provided by law or under this PO.

Furnished Property shall be used only for the performance of this PO. (b) Title to Furnished Property shall remain in Buyer or its customer. Seller shall clearly mark (if not so marked) all Furnished Property to show its ownership. (c) Except for reasonable wear and tear, Seller shall be responsible for, and shall promptly notify Buyer of, any loss or damage to Furnished Property. Without additional charge, Seller shall manage, maintain, and preserve Furnished Property in accordance with applicable law, the requirements of this PO and good commercial practice. (d) At Buyer's request, and/or upon completion of this PO, Seller shall submit, in an acceptable form, inventory lists of Furnished Property and shall deliver or make such other disposal as may be directed by Buyer.

35. Export Compliance. (a) Seller warrants and certifies it has complied and will comply with the International Traffic in Arms Regulations, 22 CFR 120, et seq. ("ITAR") and the Export Administration Regulations ("EAR"). The parties agree, to the extent possible, to include

a replacement provision, construed to accomplish its originally intended effect, that does not violate such Laws.

(c) The failure of either party in any one or more instances to insist upon exact performance of any of the provisions of this PO or to exercise any right or privilege shall not be construed as thereafter waiving any provisions, rights or privileges which shall continue and remain in full force and effect.

(d) The headings of Clauses herein are used for convenience and ease of reference only and do not limit the scope or intent of the Clause, nor shall any priority be implied by the order in which they appear in this PO.

(e) No waiver, alteration, or modification of any of the provisions of this PO shall be binding on either party unless evidenced by a written change or modification to this PO signed by both parties.

(f) The rights and remedies provided under this PO shall be cumulative and in addition to any rights and remedies provided by law or equity.

PART II: GOVERNMENT CONTRACT FLOW-DOWNS

SECTION 1.0

PREAMBLE

1.1 These Government Contract Flow-down Provisions are applicable to all Purchase Orders supporting a U.S. Government contract or subcontract, and these provisions are in addition to TC-07, General Provisions- Commercial Items. The Federal Acquisition Regulation (FAR), Department of Defense FAR Supplement (DFARS) and/or other agency FAR supplements identified herein are incorporated by reference with the same force and effect as if set forth in full text. Whenever necessary to make the context of the clauses applicable to this Order, the term “Contractor” shall mean SELLER, the term “Contract” shall mean this Purchase Order, the term “Subcontractor” shall mean a lower tier supplier to SELLER, and the terms “Government,” “Contracting Officer” and equivalent phrases shall mean BUYER, except the terms “Government” and “Contracting Officer” do not change: (a) in the phrases “Government Property,” “Government-Furnished Property,” and “Government-Owned Property,” (b) in the patent clauses incorporated herein, (c) when a right, act, authorization or obligation can be granted or performed only by the Government or the Contracting Officer or their duly authorized representative, (d) when title to property is to be transferred directly to the Government, (e) when access to proprietary financial information or other proprietary data is required except as specifically otherwise provided herein, and (f) where specifically modified herein. Any reference to a “Disputes” clause shall mean the “Disputes” clause of this Order’s TC-07.

1.2 The following prerequisites must be met: **(a) the Seller’s proposal identifies and represents its Work to be a Commercial Item as defined in FAR 2.101 and provides supporting rationale and documentation to Buyer; and (b) Buyer agrees and documents this Purchase Order that Seller’s Work is a Commercial Item.** If the foregoing prerequisites are met, note that these flow down clauses apply to items meeting the definition in FAR 2.101 for Commercially Available Off-the-Shelf Items (COTS), unless otherwise noted herein.

1.3 The SELLER agrees to flow-down all applicable Federal Acquisition Regulations (FAR), Department of Defense Federal Acquisition Regulation Supplement (DFARS), NASA Federal Supplement (NFS), or other agency clauses to its lower-tier suppliers. The federal regulations cited herein are found in Title 48 of the Code of Federal Regulations, unless otherwise noted. The SELLER further agrees that all notifications and other communications required by these clauses shall be made to BUYER’s Authorized Representative, unless this Purchase Order specifically provides otherwise.

1.4 The effective version of each provision listed below shall be the latest version published on the date that this Purchase Order is issued. If the substance of any of the clauses listed below is different from the substance of the clause actually incorporated in the Prime Contract or higher tier subcontract referenced herein, including any clause modified by amendment to the Prime Contract or higher tier subcontract, the substance of the clause incorporated in said contract shall apply instead. If, during the performance of the Order, SELLER discovers any conflict, error, ambiguity or discrepancy within this Section or between this Section and any other part of the Order, SELLER shall promptly report it to BUYER’s Authorized Representative in writing, who shall issue appropriate clarifying guidance to SELLER. Although BUYER has made every effort to include every potentially applicable clause in this document, any clauses the inclusion of which in this Purchase Order is mandatory under a statute or regulation, shall be considered to be included by operation of law, even if it has been omitted from this Order.

1.5 SELLER agrees that upon the request of BUYER it will execute amendments to this Order to incorporate additional provisions herein or to change provisions hereof, as BUYER may reasonably deem necessary in order to comply with the provisions of the applicable Prime Contract (or higher tier subcontract), provisions of amendment to such Prime Contract and/or provisions of any launch or re-entry licenses issued by the Federal Aviation Administration (if applicable). If any such amendment to this Order causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this Order, an equitable adjustment may be made pursuant to the “Changes” clause of this Order.
