

Sixty Partners Honored With Northrop Grumman Supplier Excellence Awards

March 02, 2023 [Awards & Recognition](#)

FALLS CHURCH, Va. – March 2, 2023 – From a global network of more than 10,000 suppliers, 60 partners stood out in 2022 to be recognized by Northrop Grumman Corporation (NYSE: NOC) with a Supplier Excellence Award.

“Our team is inspired by direct connection to our customers’ missions and these suppliers are vital to ensuring mission success,” said Matt Bromberg, corporate vice president, global operations, Northrop Grumman. “Their focus on performance, agility and quality help Northrop Grumman deliver advanced technology solutions with the quality and speed to meet the complex and urgent global security challenges.”

Awards were presented in three categories, each representing a key part of delivering the highest quality solutions to our customers:

- *Performance Excellence Award* for companies that maintained top-tier status in Northrop Grumman’s Supplier Assessment Management System, achieving exceptional performance ratings in areas such as cost, schedule, technical, supplier management, proposals and overall customer satisfaction.
- *Quality Excellence Award* for companies that demonstrated greater than 99.5% on-time delivery and zero defects.
- *Strategic Excellence Award* winners met the unique needs of critical business for Northrop Grumman’s customers.
